

In the journey of caregiving, Cariloop stands as your guiding partner, offering a unique blend of knowledge, support and resource management.

When you start your caregiving journey with Cariloop, you gain access to:

- A robust content library that provides tailored insights, information and content.
- Our expert and dedicated Care Coaches who ensure proactive, effective and consistent support.
- A suite of premier digital tools to help you plan and manage care.
- An integrated network, powered by UrbanSitter, where you can find, book and pay for backup care, childcare, pet care, household and senior support.

How To Use Cariloop's Integrated Network

Log in or Register with Cariloop.

Navigate to Find at-home care within your digital portal.

Search for available providers within your area and based on your specific care needs using UrbanSitter's premier digital capabilities.

If you have difficulty finding the right care provider for your needs, you can connect with a Care Coach at any time to gain assistance and additional support. Don't forget to also explore Cariloop's content library and other resources to get insights and information on hiring care providers.
