

MEADOWS SCHOOL OF THE ARTS

GENERAL INFORMATION

The Meadows School of the Arts educates visionary artists, scholars, and arts and communication professionals so that they may have a sustainable, transformative impact on both local and global society.

Founded through the generosity of Algur H. Meadows, his family and the Meadows Foundation, the Meadows School is recognized as one of the nation's premier arts schools. It offers intense, specialized education in the communication, performing and visual arts to arts majors, and provides a rich variety of coursework for students from other disciplines exploring the arts as part of their liberal arts education.

In addition to working closely with a nationally renowned faculty, Meadows students have access to many eminent visiting professors, artists and scholars, as well as the annual winners of the Meadows Prize. The Meadows School also offers one of the nation's finest university complexes for instruction, performance and exhibition in advertising, art, art history, arts administration, communications, dance, digital media, film, journalism, music and theatre.

Academic, Performance and Exhibition Spaces

The Owen Arts Center houses the Greer Garson Theatre (a classical thrust stage), the Bob Hope Theatre (a proscenium theatre), the Margo Jones Theatre (a black box theatre), Caruth Auditorium (which includes a 51-stop, 3,681-pipe Fisk organ), the Charles S. Sharp Performing Arts Studio, the O'Donnell Lecture/Recital Hall and several smaller performance spaces, as well as classrooms, studios and rehearsal areas. The Doolin Gallery in the Owen Arts Center and the Pollock Gallery, housed in the Hughes-Trigg Student Center, are the art exhibition spaces of the Division of Art. Student work is exhibited and critiqued in the Doolin Gallery. Exhibitions organized in the Pollock Gallery provide students, faculty, staff and the community with opportunities to experience a thoughtful and wide array of exhibitions representing diverse artists, time periods and cultures.

The Meadows Museum exhibits one of the finest and most comprehensive collections of Spanish art outside of Spain, including works of such masters as El Greco, Velázquez, Ribera, Montañes, Murillo, Goya, Sorolla, Picasso, Gris, Miró and Tápies.

The Elizabeth Meadows Sculpture Collection includes important works by suwThe four-story Center and houses all arts library collections, a slide library, an audio/visual center and the Center for Instructional Technology in the Arts. The G. William Jones Film and Video Collection, a part of the library's holdings, is housed in the Greer Garson Theatre's 3,800-square-foot refrigerated storage vault, with screening rooms also in the building.

Meadows Schools of the Arts and the Liberal Arts Education

All first-year undergraduates spend at least one year as SMU Pre-Majors before transferring officially to Meadows. Students are assigned an academic adviser in the

liberal arts courses with the introductory course requirements of their intended major. After entering Meadows, normally in the sophomore year, students continue to combine courses in the major with UC/GEC requirements.

Meadows Divisions

Meadows consists of 10 undergraduate and graduate divisions. Each is outlined in detail in individual sections of this publication. They are as follows:

ADMISSION

Various divisions in Meadows School of the Arts have special admissions criteria such as auditions, portfolio reviews and specified coursework. Admissions criteria pertinent to each instructional unit are stated in the section of this publication devoted to that unit.

Admission Procedures

Prospective students interested in undergraduate degrees in Meadows School of the Arts apply for undergraduate admission to SMU as first-year students or transfer students through the SMU Division of Enrollment Services, Office of Undergraduate Admission, PO Box 750181, Dallas TX 75275-0181. Application deadlines and information on performing and visual arts consideration are in the Admission to the University section in the front of this catalog.

Admission as an SMU Interschool Transfer Student

SMU Pre-Major students enter Dedman College and then transfer to Meadows School of the Arts when they complete requirements for the major declaration. A student transferring from Dedman College (or other schools of the University) must secure a Student Change of Degree Program form from the office of the academic dean of the student's current school to present to the Undergraduate Academic Services Office of Meadows School of the Arts.

Students must have completed a minimum of 24 term hours of study with a minimum cumulative GPA of 2.000. Students in various divisions also must receive formal recognition of suitable scholarly or creative ability and talent in the performing arts. Art students must submit a portfolio (12 images) to SlideRoom, the online digital portfolio system (www.smu.slideroom.com), halfway through their second term of art study for admission to study for the B.F.A. or B.A. degree. Art students are considered for admission to the B.F.A. or B.A. based upon that portfolio and review of transcript courses. Art history students are strongly encouraged to contact the chair of the Art History Division for a conference. Advertising, communication studies, film and media arts, and journalism students must successfully complete the prerequisite subset of courses with the appropriate GPA to be admitted to their degree programs. Advertising students must additionally complete a written on-site application to the program. It should be noted that all students in dance, music and theatre will have auditioned/interviewed prior to entering SMU.

Admission as an External Transfer Student

Students applying for admission to Meadows School of the Arts by transfer from another accredited educational institution should request a transfer application from the Division of Enrollment Services. Transfer applicants who have completed 30 transferable hours with a GPA of 2.700 or better are often successful in gaining admission to the University. Once admitted, a transfer student must be prepared to earn at least 60 hours of credit through enrollment at SMU. That is, 60 hours of credit must be earned in SMU courses or SMU-approved international programs.

Transfer credit is not given for correspondence courses or for work completed at a nonaccredited school. Only grades of C- or better in comparable courses are transferable to SMU.

Transfer into Meadows School of the Arts is not automatic. Consideration is also given to creative or scholarly potential for the program to be undertaken and to particular talent in performing areas. Admissions criteria pertinent to each instructional unit also must be satisfied.

Readmission

Students should contact the Division of Enrollment Services, Office of Undergraduate Admission regarding readmission. A student who has been readmitted

DEGREE REQUIREMENTS

Requirements for Graduation

Students who are candidates for a degree in Meadows School of the Arts must submit a formal application for graduation to the Undergraduate Academic Services Office by the end of the first week of class for December and May graduation, and by the second day of summer school for August graduation. In addition to University-Wide Requirements and requirements for the major, candidates for graduation must also fulfill the following requirements:

1. Credits

A minimum total of 122 term credit hours. Additional term credit hours are required by some programs as needed to fulfill University-Wide Requirements. No more than two term credit hours from Personal Responsibility and Wellness courses count toward degree completion.

2. Grades

- a. A minimum cumulative GPA of 2.000 on all attempted SMU work and a minimum 2.000 GPA in the major area of study.
- b. A maximum of 12 term credit hours at the student's election with a grade of *P* (Pass).

3. Credit Requirements:

- a. A minimum total of 60 term credit hours through enrollment at SMU.
- b. A maximum of 30 term credit hours of transfer work after matriculation.

A degree from Meadows School of the Arts is awarded by the faculty only in recognition of developed abilities, demonstrated knowledge of the student's particular field of study and the capacity to express an understanding of the art medium. Merely passing all courses is not necessarily sufficient.

Requirements for the Major

Candidates for undergraduate degrees must complete the requirements for an academic major in one of the divisions in Meadows. Students usually declare a major at the end of the first year. Students may major in more than one program within Meadows or combine a major in Meadows with one in a different school. All coursework counting toward a major must be taken for a letter grade, except for those courses that are routinely designated as pass/fail. Students must process appropriate forms in the Undergraduate Academic Services Office to change majors or declare a second major.

University-Wide Requirements

SMU's University-Wide Requirements (UC/GEC) must be met by all undergraduate students, regardless of degree program or major. All courses used to meet University-Wide Requirements must be taken for a letter grade, unless the course is offered only on a pass/fail basis. Questions concerning UC/GEC requirements may be directed to the Undergraduate Academic Services Office.

Double Majors

A student who wishes to double major (majors in two departmental areas or in two schools) must satisfy the requirements of each department or school.

Graduation Honors

There are three classes of graduation Latin honors: summa cum laude, magna cum laude and cum laude. Eligibility for graduation honors will be based upon a student's total academic program. All academic work attempted at other colleges or universities equivalent to SMU work will be included in the calculation of the GPA. For students who have transferred to SMU or who have transferred coursework following matriculation at SMU, two GPAs will be calculated: that for all work attempted and that for work completed through enrollment at SMU. Latin honors will be based on the lower of the two averages.

Commencement Activities Prior to Completion of Degree Requirements

Participation in May graduation activities is allowed for students who are within six hours of completing graduation requirements and are enrolled to complete all degree requirements during the summer following graduation activities. Students who meet the above requirements may petition to participate in commencement activities.

Communication Studies

Associate Professor Ben Voth, Division Chair

Professor: Rita Kirk. **Associate Professors:** Maria Dixon, Sandra C. Duhé, Owen Lynch, Ben Voth. **Assistant Professors:** Linjuan Rita Men, Daniel Schill. **Senior Lecturers:** Nina Flournoy, Christopher Salinas. **Lecturer:** Steve Lee. **Adjunct Lecturer:** Cecilia Stubbs Norwood.

The Division of Communication Studies offers students a foundational understanding of the theories, methods and history of communication; its relationship to liberal education; and its disciplinary and professional applications. The division educates students in research, critical thinking, writing and advocacy who apply intellectual rigor and integrity to communication theory and practice. The curriculum emphasizes an approach to communication study that stresses the ethical and philosophical relationships of the individual to society. A broad review of advocacy, political communication, organizational communication, public relations and contemporary studies of communication undergird the curriculum. The division is accredited through the American Communication Association.

The curriculum has the following strategic goals:

Goal of Teaching: To create competent communicators and citizens who are equipped to serve and transform business, government, civil society or education sectors here and around the world.

Goals on Campus: To be rigorous, relevant and transformative.

Goals for Students: To have upon graduation the ability to apply communication theory in a variety of contexts, including business, civil society, education, public affairs, or graduate or professional studies; the ability to bridge differences of identity through communication competency; and the ability to have a voice in the affairs of those who are silenced.

The curriculum takes a unique approach, building upon solid in-class studies and taking students outside the classroom and around the world (Africa, London and Washington, D.C.) for profound and lasting learning experiences. Award-winning programs such as the SMU chapter of the Public Relations Student Society of America; the in-house communication consulting group, Mustangconsulting; and programs in debate, speech and mock trial help students discover their excellence in competitive contexts. Students are expected to create an electronic portfolio of their work demonstrating their excellence in writing and speaking.

Students seeking an undergraduate degree in communication studies receive a broad background in the liberal arts, followed by a major curriculum that prepares

In addition to major coursework in the division, communication studies students must complete a minor. Determination of the minor should be considered carefully and should enhance and broaden the student's learning experience at SMU beyond the major. In keeping with the recommendations of the American Communication Association, the Public Relations Society of America's Task Force on Undergraduate Education, and the standards of the Accrediting Council for Education in Journalism and Mass Communications, students should select minors that emphasize the liberal arts. Students seeking to double major or minor in another communication-related field may need to complete more than the minimum 122 total hours required for graduation.

Students are encouraged to participate in service-learning opportunities and make important career connections through supervised internships with a range of businesses globally and locally.

More information about the Communication Studies degree program is available at www.meadows.smu.edu/com.

Admission. In addition to those requirements of the University and Meadows School of the Arts, undergraduate students planning to major or minor in communication studies must complete DISC 1312 and 1313 (or equivalents); one math course chosen from STAT 1301, 2301, 2331; and six hours of communication studies core coursework: COMM 2310, 2327. Students must earn a grade of *C* or better in each of these five core courses with a minimum cumulative 3.000 GPA before a major or minor may be declared. Once declared, students must successfully complete the remaining six hours of communication studies core coursework (COMM 2308, 3375) before taking any upper-division electives, with the exception of COMM 2300, 3300, which are open to all majors. Core coursework may not be repeated to meet the requirements to declare communication studies as a major or minor.

Admission to the major is highly competitive. Major selection will be based on subset and core requirement standings and faculty recommendations. Portfolio development is included in *each* of the four core communication studies courses and concluded in COMM 3375.

Admission, Audition and Financial Aid

Acceptance as a dance major or minor requires a performance audition. This is a separate process from application to the University and is the principal factor in determining an applicant's eligibility to major or minor in dance. Campus and national auditions occur throughout the year and serve to establish a candidate's level of competence, class placement and merit scholarship recommendation.

Applicants who audition in Dallas are observed in a ballet class, in modern dance sequences and in a jazz dance combination. Faculty representatives from the Division of Dance also conduct an annual audition tour to selected cities.

Various aspects of a student's work are examined, including technical progress, capacity for and commitment to class work, personal growth and maturity, attitude, academic performance, production support, program participation, performance artistry, and health and fitness. When standards are not met, a student is advised that significant improvement must take place to remain in the program. Students intending to seek admission to graduate schools are encouraged to include at least 30 hours of a coherent set of courses in an identifiable disciplinary field.

Administrative Procedures

The Meadows Academic Policies Committee shall have the final authority to approve all specialized programs. A number of steps must be completed prior to declaring the major. In order to initiate discussion of a specialized major, a student must submit to the program director a preliminary plan of study in the form of a brief statement of goals and a course list made in consultation with appropriate faculty advisers.

1. If the program director approves the program, the student and the faculty advisers must form a supervisory committee with a minimum of three members. The supervisory committee will provide advice and guidance to the student. At least two members, including the chair of the committee, shall be resident members of the Meadows School faculty. Professor: Tony Pederson. **Associate Professors:** Craig Flournoy, Camille Kraeplin. **Assistant Professors:**

Admission and Degree Requirements

Strong writing skills are essential to the student's success in the division's journalism curriculum and later in the profession of journalism. Students may enroll in journalism classes as first-year students. Those seeking permission to major in the Division of Journalism must have completed DISC 1312, 1313 (or equivalent). The student must earn a minimum GPA of 3.000 (*B*) between these courses. Essay and grammar, spelling, and punctuation tests must be successfully completed before students are allowed to declare journalism as a major or minor. Students must declare a journalism major or minor before taking CCJN 2313. Students transferring from other universities must have completed equivalent courses and obtained the equivalent GPA in those courses before they can be considered a major candidate in the Division of Journalism. The Journalism Division has a focus on and commitment to diversity, recognizing the need for diversity in media and communications in the 21st century.

Scholarships

Honors scholarships are awarded each year to outstanding students who intend to major in journalism. Other scholarships are available to journalism students through a variety of foundations and gifts to the division.

Honors Program

The honors program in journalism is highly selective. At midterm of the sophomore year, and again at midterm of the junior year, declared journalism majors with a GPA of 3.500 or better can apply to the honors program. All interested students, including those who have been previously awarded honors scholarships, need to apply for admission to the program. Those wishing to graduate with distinction in journalism must complete 12 hours of honors coursework within the Division of Journalism. Where specific honors sections are not offered in the Division of

international communications. Courses offered carry three credit hours. They do not require prerequisites, and they are designed to take full advantage of London's importance as an international center. Students live in dormitories in London. As part of their international experience, students are encouraged to explore the culture and fine arts offerings of London and European countries on their own, as class schedules permit.

Programs of Study

The role of the journalist in today's society has become increasingly complex and important because of a paradox: as the world shrinks amid the communication revolution, the journalist's horizons and responsibilities have vastly expanded. The rapid development of converging media technologies means journalists of the 21st century must know more about the world and also be capable of working in a variety of new media. At the same time, the next generation of journalists must retain the core ethics and values of the craft. Journalism students will study multi-
