

Welcome to a quick update from the SMU Geothermal Lab. We want to take the opportunity to wish everyone Happy Holidays.

Geothermal News and Notes

The [Energy Department](#) has announced [114 million new projects to advance efficient drilling geothermal](#) for geothermal energy. See the projects at <https://www.energy.gov/articles/energy-department-announces-114-million-new-projects-advance-efficient-drilling-geothermal>.

GeoEnergy Marketing, WING, ThinkGeoEnergy, the GRC, and IGA are interested in learning more about [social media usage in the geothermal industry](#). Take a minute or two and complete their survey at <https://www.surveymzmo.com/s3/4615286/Social-Media-Usage-Market-Research-Survey>.
